

# **Chatfield Watershed Authority Policy**

## **Reuse Policy**

Board Adopted November 20, 2017

---

The Chatfield Watershed Authority strongly supports the beneficial use of reclaimed water within the Chatfield Watershed. The Authority authorize the Authority Manager to review and recommend approval of site applications that are consistent with the Chatfield Reservoir Control Regulation on behalf of the Authority without further Board action. The Manager will inform the Board of all actions taken on its behalf at the next regularly scheduled Authority meeting.
